7 in 1 multifunction GPS alarm RF-V20 cat1

Specifications

Product Functions	
OS	8910DM
GPRS	support
GPS/WIFI/LBS Positioning	support
Remote listening monitor	support
Remote query and setup parameter	support,via MSM , ID number,GSM signal,battery,working mode,
G-sensor	support
dual-way conversation	Not support
low-power management	support
speaker phone	Only one-way for voice monitoring
microphones	support
SMS remote query	support
inside battery	6000mAh
SIM card	Single Nano SIM card
Li battery charger	support
Li battery charger protect	support
LED status of GSM,GPS	support,blue LED for GPS, yellow LED for GSM
USB port	support
Flash light	support
Door alarm	support
Power bank function	support
Buzz for alarm	support

Performance and Parameters	
GSM chipset	UNISOC
GSM band 2G	850/900/1800/1900 MHZ
4G bands versions	A: 4G-FDD: Band 1/2/3/5/7/8/20 4G-TDD: Band 38/39/40/41
	B: 4G-FDD： Band 2/4/5/7/12/28A
GPS chipset	8910DM
GPRS	Class12,TCP/IP
GPS signal	L1,1575.42MHz C/A code
GPS channel	22 channel
AGPS	26s
GPS sensitivity	tracking：-165dBm，searching：-148dBm
GPS accuracy	5-15m
Input currency	DC 5V=2A
Output currency	DC 5V=2A
Battery working time for a charge	40 ~ 50 days
Working temperature	-20 ~70°C
Working humidity	5% to 95%
Certification	CE,FCC, RoHs, CCC, ISO 9001, etc
GSM	FPC antenna
Weight	135g
dimension	122*51*25mm
Waterproof	Waterproof, no; Water resistant, yes.
Device color options	Dark gray in stock, blue or white needs to produce with bulk order
